[Card Stock Cuts for this Project:](#)

**Basic Black Cardstock:** 5 1/2" x 8 1/2" (card base, scored and folded at 4 1/4")

**Silent Snowfall Specialty DSP:** 3 1/4" x 5 1/2" (front panel); 2 1/4" x 6" (envelope flap)

**Petal Pink Cardstock:** Ornamental Christmas die cut large star

**Gold Foil Sheets:** 1 1/2" x 5 1/2" (x2 - "mats" for Silent Snowfall panel); Ornamental Christmas die cut large star, glimmers, ornaments, tree stand, and small star)

**Basic White Cardstock:** Ornamental Christmas die cut tree; 1 1/8" x 2 1/2" (sentiment); 4" x 5 1/4" (inner liner)

**Modern Christmas Specialty DSP:** 4 1/4" x 5 1/2" (card front panel)

## Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of *Modern Christmas Specialty DSP* to the front of the Basic Black card base.
2. Use a Small Blending Brush to color a piece of *Silent Snowfall Specialty DSP* with Pretty in Pink ink.
3. Line up the edge of one 1 1/2" x 5 1/2" strip of Gold Foil sheet with the edge of the *Silent Snowfall* paper and tear them both at the same time.
4. Repeat with the second strip of Gold Foil on the other long edge of the panel.
5. Use Liquid Glue to adhere the two *Gold Foil* strips to the *Silent Snowfall* panel to make a "mat" - leaving the same reveal on both edges.
6. Use Liquid Glue to adhere the whole thing to the card front with Liquid Glue. Note: when I make panels that go edge-to-edge on a card front - I like to make them longer than I need and then trim the excess with a Paper Trimmer. So - maybe start with 5 3/4" long pieces!
7. Use a couple of scrunched up Glue Dots to adhere a *Large Gold Hoop* to the card front. Note: you want to put these where they'll be covered by the other elements on your card front.
8. Use the *Ornamental Christmas* die to cut one large star from *Gold Foil Sheet* and one from Pretty in Pink cardstock.
9. Use Liquid Glue to adhere the two stars together.
10. Use Liquid Glue to adhere the whole thing to the card front.
11. On the 2 1/8" x 2 1/2" piece of Basic White cardstock, stamp the *Ornamental Christmas* sentiment in Tuxedo Black Memento Ink.
12. Use Liquid Glue to adhere it to the card front e.
13. Tie a simple bow from black twine from the *Black & White & Gold Baker's Twine* and adhere it with a Glue Dot.
14. On a piece of Basic White cardstock stamp the "swag" image from the set in Pretty in Pink four or five times in a "stack".
15. Use the die in the *Ornamental Christmas* set to cut a tree image.
16. Use double-stacked Stampin' Dimensionals to adhere the tree onto the card front - over the bow.

17. Use the dies in the set to cut out a tree base, the gold ball ornaments, the small star and four "glimmers" from **Gold Foil Sheets**.
18. Use Liquid Glue to adhere all but one "glimmer" to the tree and to the card front.
19. In the corner of the 4" x 5 1/4" piece of Basic White cardstock stamp the tree image from **Ornamental Christmas** three times in Pretty in Pink ink.
20. Stamp the sentiment over the trees in Tuxedo Black Memento Ink.
21. Use Liquid Glue to adhere the fourth "glimmer".

22. Use Liquid Glue to adhere the panel to the inside of the Basic Black card base.
23. Stamp the Pretty in Pink **Ornamental Christmas** trees on the front of the Basic White Medium Envelope.
24. Use the Small Blending Brush to color the 2 1/4" x 6" piece of **Silent Snowfall Specialty DSP** with Pretty in Pink ink
25. Add a thin line of Liquid Glue around the edges of the envelope flap.

26. Lay the 2 1/4" x 6" piece of colored **Silent Snowfall Specialty DSP** to the flap and rub it lightly to ensure it's stuck down.
27. Use Paper Snips to trim off the excess paper.
28. DONE!
