Card Stock Cuts for this Project:

Basic Black Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2", 6 3/4" and 8 7/8"); Next-to-largest Stylish Shapes circle die (mat for DSP circle)

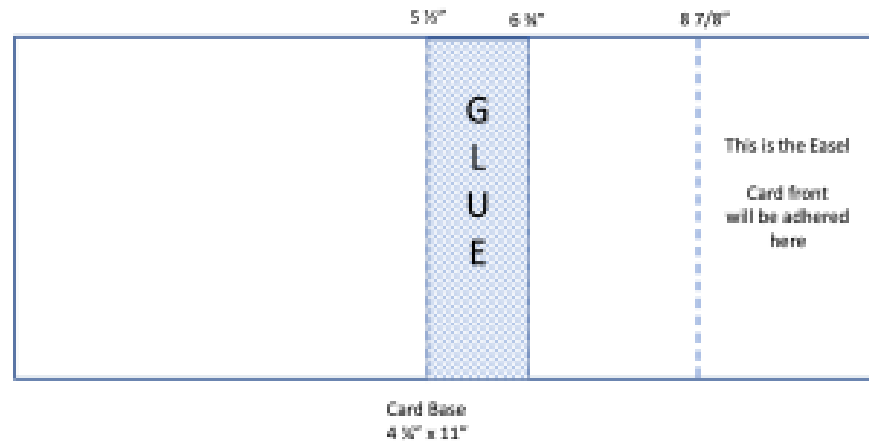

Pretty in Pink Cardstock: 1 1/8" x 4 1/8" (mat for book fold panel); 2" x 4 1/8" (x2 - mats for easel panels); 4 1/8" x 4 1/8" (mat for inner liner); 5/8" x 4 1/8" (mat for easel stop); Largest Stylish Shapes circle die (second mat for DSP circle); 3/8" wide strip (sentiment - cut to fit)

Basic White Cardstock: 4" x 4" (inside liner)

Modern Christmas Specialty DSP: 1" x 4" (mat for book fold panel); 1 7/8" x 4" (x2 - mats for easel panels); 1/2" x 4" (easel stop); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Basic Black cardstock along the long edge at 5 1/2", 6 3/4" and 8 7/8".
2. Fold the 5 1/2" score as a mountain (like a regular card).
3. Fold the 6 3/4" score the opposite direction.
4. Finally, fold the 8 7/8" score opposite that (so...another mountain).

5. Use Liquid Glue between the two closest score lines (5 1/2" and 6 3/4") - then press the card front to the back - this adheres them together and creates the top-book-fold panel.
6. Start with a piece of **Modern Christmas Specialty DSP** at 5" x 4" wide. Along the long side cut a 1" x 4" piece and then two 1 7/8" x 4" pieces - keeping the pieces in the same order as you cut them off.
7. Use Liquid Glue to adhere the 1" x 4" piece to the 1 1/8" x 4 1/8" piece of Pretty in Pink cardstock,
8. Use Liquid Glue to adhere the two 1 7/8" x 4" piece of DSP to the two 2" x 4 1/8" pieces of Pretty in Pink cardstock.
9. Use Liquid Glue to adhere the two larger matted panels to the easel panels on the card front.

10. Wrap some black twine from the **Black & White & Gold Baker's Twine** twice around the smaller matted panel, securing it in the back with a couple of Glue Dots.
11. Use two lengths of the black twine to tie a bow around the wrapped twine. Use a Mini Glue Dot under the bow to keep it from sliding around.
12. Use Stampin' Dimensionals to adhere the whole thing to the book fold panel.
13. Use the 2 3/8" Circle Punch to cut out a little "grove" of trees from the **Modern Christmas Specialty DSP**.
14. Use the largest Stylish Shapes circle die to cut out a Pretty in Pink circle.
15. Use the next-to-largest Stylish Shapes circle die to cut out a Basic Black circle.
16. Use Liquid Glue to adhere the Basic Black circle to the Pretty in Pink circle.
17. Use Stampin' Dimensionals to adhere the punched out DSP circle to the Pretty in Pink circle.
18. Use Liquid Glue on the bottom portion of the circle to adhere it to the end easel panel.

19. On a 3/8" wide strip of Pretty in Pink cardstock, stamp the **Modern Christmas** sentiment in Tuxedo Black Memento Ink.
20. When the ink has dried use scissors to snip banners in both ends.
21. Use Stampin' Dimensionals to adhere the sentiment to the card front.
22. On the 4" x 4" piece of Basic White cardstock stamp another **Modern Christmas** sentiment in Tuxedo Black Memento ink.
23. Stamp the tree image from the set in Pretty in Pink ink.
24. Use Liquid Glue to adhere the panel to the 4 1/8" x 4 1/8" piece of Pretty in Pink cardstock.
25. Use Liquid Glue to adhere the matted panel to the inside of the card base.

26. Use Liquid Glue to adhere the 1/2" x 4" strip of **Modern Christmas Specialty DSP** on the 5/8" x 4 1/8" piece of Pretty in Pink cardstock.
27. Use Stampin' Dimensionals to adhere it to the inside panel to be the easel stop.
28. Stamp the Pretty in Pink **Modern Christmas** tree on the front of the Basic White Medium Envelope.
29. Add a thin line of Liquid Glue around the edges of the envelope flap.
30. Lay the 2 1/4" x 6" piece of **Modern Christmas Specialty DSP** to the flap and rub it lightly to ensure it's stuck down.
31. Use Paper Snips to trim off the excess paper.
32. DONE!
