Card Stock Cuts for this Project:

Mossy Meadow Cardstock: 5 1/2" x 8 1/2"
(card base, scored and folded at 4 1/4")

Natural Hues Textured Specialty Paper: 3
1/2" x 4 3/4" (behind card front)

Basic Beige Cardstock: Second-from-
Largest Stylish Shapes circle die (sentiment);
4" x 5 1/4" (inside liner)

Nature's Walk DSP: 4" x 5 1/4" (card front);
2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the Light Pecan Pie Stampin' Blend, and strike it against an Acrylic Block - to add a bunch of splatters to the 3 1/2" x 4 3/4" piece of tan **Natural Hues Textured Specialty Paper**.
2. Use the texture stamp in the **Nature's Symphony** set to stamp a few times in stamped-off-once Pecan Pie ink.

3. Use Liquid Glue to adhere the panel to the front of the Mossy Meadow card base.
4. Use the foliage die in the **Nature's Symphony** set to cut from the 4" x 5 1/4" piece of the **Nature's Walk DSP**.
5. Use Stampin' Dimensionals (be generous!) to adhere the DSP panel to the front of the card base.
6. Tie a bow from two lengths of Old Olive Linen Thread and adhere it with a Glue Dot - sticking the Glue Dot in one of the negative spaces of the die cut.
7. On a piece of Basic Beige cardstock stamp a **Nature's Symphony** sentiment in Mossy Meadow ink.
8. Use the second-from-largest **Stylish Shapes** circle die to cut out the sentiment.
9. Use Stampin' Dimensionals to adhere the sentiment over the bow. Note: see how big the bow is? You want the loops pretty good sized so they stick out both sides of the circle!
10. Add three **Faux Bronzed Pentagons**.
11. On the 4" x 5 1/4" piece of Basic Beige cardstock stamp a second **Nature's Symphony** sentiment in Mossy Meadow ink.
12. In the corner stamp the big leaves image from the set in Mossy Meadow ink.
13. Over the top stamp the texture image a few times in stamped-off-once Pecan Pie ink.

14. Use Liquid Glue to adhere the panel to the inside of the Mossy Meadow card base.
15. Stamp the **Nature's Symphony** foliage and textures on the front of the Basic White Medium Envelope.
16. Add a thin line of Liquid Glue around the edges of the envelope flap.
17. Lay the 2 1/4" x 6" piece of **Nature's Walk DSP** to the flap and rub it lightly to ensure it's stuck down.
18. Use Paper Snips to trim off the excess paper.
19. DONE!
