[Card Stock Cuts for this Project:](#)

Pecan Pie Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); 3 7/8" x 5 1/8" (mat for card front)

Pretty in Pink Cardstock: 4 1/8" x 5 3/8" (mat for card front)

Basic White Cardstock: 3 3/4" x 5" (for the card front - starts at 4" x 5 1/4"); Second from Smallest Stylish Shapes circle die cut (sentiment); 4" x 5 1/4" (inner liner)

Homemade Wonders DSP: 1" x 5" (strips on front - cut into triangles); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Cut 1" x 5" strips of *Homemade Sweetness DSP* into triangles by cutting each one from corner to corner with the Paper Trimmer. You'll need about 16 triangles - and try to have at least 3 designs to rotate thru on your card front.
2. On the 4" x 5 1/4" piece of Basic White cardstock make a pencil mark on the right edge - at the halfway mark.
3. Put a thin layer of Liquid Glue all over the panel and then settle all the strips into place. Start at the center - and put the point of each triangle at that pencil mark. Do that all the way around - until the panel is completely covered.
4. Use scissors to trim all the excess DSP - then cut the whole panel down to 3 3/4" x 5" using the Paper Trimmer.
5. On a piece of Basic White cardstock stamp the *Framed All Around* sentiment in Pecan Pie ink.
6. Stamp the floral image in Tuxedo Black Memento Ink.

7. Color the flowers with the Light Strawberry Slush Stampin' Blend.
8. Use the next-to-largest **Stylish Shapes** circle die to cut out the sentiment and flowers.
9. Use the Paper Trimmer to slice off the right edge of the circle.
10. Use Liquid Glue to adhere it to the card front.
11. Use Liquid Glue to adhere the card front on the $3\frac{7}{8}'' \times 5\frac{1}{8}''$ piece of Pecan Pie cardstock.
12. Use Stampin' Dimensionals to adhere the matted panel to the $4\frac{1}{8}'' \times 5\frac{3}{8}''$ piece of Pretty in Pink - cardstock.
13. Add seven Strawberry Slush dots from the **Strawberries & Dots**.
14. In the bottom corner of the $4'' \times 5\frac{1}{4}''$ piece of Basic White cardstock stamp the **Framed All Around** floral in Tuxedo Black Memento Ink.
15. Color it the Light Strawberry Slush Stampin' Blend.

16. Use Liquid Glue to adhere the panel to the inside of the Pecan Pie card base.
17. Use Liquid Glue to adhere the card front to the front of the card base.
18. Stamp and color the **Framed All Around** floral on the front of the Basic White Medium Envelope.
19. Add a thin line of Liquid Glue around the edges of the envelope flap.
20. Lay the $2\frac{1}{4}'' \times 6''$ piece of **Homemade Sweetness DSP** to the flap and rub it lightly to ensure it's stuck down.
21. Use Paper Snips to trim off the excess paper.
22. DONE!
