[Card Stock Cuts for this Project:](#)

**Pecan Pie Cardstock:** 4 1/4" x 5 1/2" (card base); 3 3/4" x 4 1/4" (slider, scored at 3/8" on the short side)

**Secret Sea Cardstock:** 5 1/4" x 8 1/2" (card - scored at 2 3/4" and 6 3/4")

[Natural Hues Textured Specialty Paper:](#)

Nature's Symphony large die cut leaf

**Very Vanilla Cardstock:** Second-from-Smallest Stylish Shapes circle die (sentiment); 3 1/4" x 4 1/8" (inner sentiment panel on slider)

**Nature's Walk DSP:** 2 5/8" x 5 1/8" (front panel); Nature's Symphony large die cut leaf; 2 5/8" x 5 1/8" (inside large panel); 1 5/8" x 5 1/8" (front small panel); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

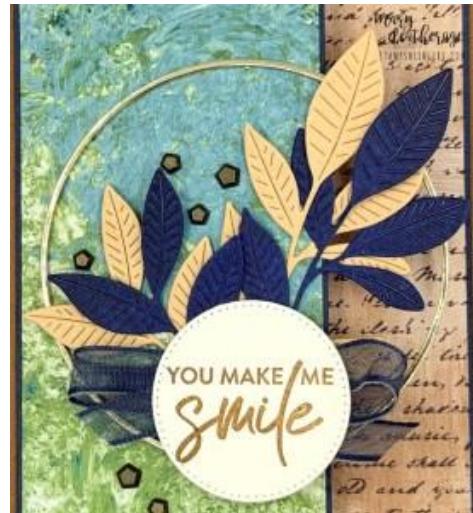

1. Score the 5 1/4" x 8 1/2" piece of Secret Sea cardstock at 2 3/4" and 6 3/4".
2. Fold both score lines in - like a gate card.
3. Use Liquid Glue to adhere a 2 5/8" x 5 1/8" panel of **Nature Walk DSP** to the front left panel of the card - one on the front and one on the inside of the panel.
4. Use Liquid Glue to adhere the 1 5/8" x 5 1/8" panel of **Nature Walk DSP** to the front right panel (the narrower panel) of the card.
5. Score the 3 3/4" x 4 1/4" piece of Pecan Pie cardstock at 3/8" on the short side.
6. In the bottom right corner of the 3 1/4" x 4 1/8" piece of Very Vanilla cardstock stamp a small leaf image from **Nature's Symphony** twice, without re-inking, in Secret Sea ink.
7. Stamp a **Nature's Symphony** sentiment in Pecan Pie ink.
8. Use Liquid Glue to adhere the panel to the slider.
9. Lay a strip of **Tear & Tape Adhesive** on the 3/8" section (on the left side of the slider and on the same side as the Very Vanilla panel) and put the slider in place inside the card. The left edge of the slider will butt up to the LEFT score line - but not on top of it.
10. Lay the larger front panel down - to adhere to the **Tear & Tape**. The video above will show you how this is done!

11. Place **Tear & Tape** on the top edges of the inside of the opposite short panel.
12. Close the left side of the card base and then close the right panel - "capturing" the slider. Again - the video is the best way to see how to do this!

13. Use two Glue Dots - just at the bottom of a **Large Gold Hoop** to adhere it to the front panel of the card base.
14. Use the large foliage die in the **Nature's Symphony** set to cut out one leaf from **Nature Walk DSP** and one from **Natural Hues Textured Specialty Paper**.
15. Use Liquid Glue to adhere both of them to the panel.
16. On a piece of Very Vanilla cardstock stamp a **Nature's Symphony** sentiment in Pecan Pie ink.
17. Use the second-from-smallest **Stylish Shapes** circle die to cut out the sentiment.
18. Use Stampin' Seal+ to adhere a loopy bow of **Secret Sea 3/8" Bordered Open Weave Ribbon** to the back of the sentiment.

19. Use Stampin' Dimensionals to adhere the sentiment - with the ribbon - to the card front.
20. Add seven **Faux Bronze Hexagons**.
21. Use Liquid Glue to adhere the whole thing to the 4 1/4" x 5 1/2" piece of Pecan Pie cardstock.
22. Stamp the **Nature's Symphony** leaves twice (without re-inking) in Secret Sea ink on the front of the Basic White Medium Envelope.
23. Add a thin line of Liquid Glue around the edges of the envelope flap.

24. Lay the 2 1/4" x 6" piece of **Nature Walk DSP** to the flap and rub it lightly to ensure it's stuck down.
25. Use Paper Snips to trim off the excess paper.
26. DONE!
