[Card Stock Cuts for this Project:](#)

Secret Sea Cardstock: 5 1/2" x 8 1/2" (card base, scored and folded at 4 1/4")

Mossy Meadow Cardstock: 4" x 5 1/4" (mat for card front); Help Me Grow die cut leaves (x3)

Old Olive Two-Tone Cardstock: Help Me Grow die cut leaf (x2 - one light and one dark)

Lunar Luster Specialty Paper: Help Me Grow die cut leaf (x2)

Basic White Cardstock: 3 7/8" x 5 1/8" (card front); Help Me Grow die cut plant marker (sentiment); 4" x 5 1/4" (inner liner)

Lovely Blossoms DSP: 3/8" x cut-to-fit (Help Me Grow die cut "grass" strip); 1/2" x cut-to-fit (Secret Sea strip); 3/8" x cut-to-fit (Cloud Cover strip); Help Me Grow die cut pot; Help Me Grow die cut leaf; 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Emboss the 3 7/8" x 5 1/8" piece of Basic White cardstock in the **Lazy Daisy 3D Embossing Folder**.
2. Use the edge die in the **Help Me Grow** bundle to cut the 3/8" wide strip (cut longer than you need to make it across your card front on the diagonal) of Old Olive **Lovely Blossoms DSP**. Note: Line up the bottom straight edge of the die with one straight edge of the DSP strip when you cut it out.
3. Use Liquid Glue to adhere the strip across the corner.
4. Use Liquid Glue to adhere the 1/2" wide strip of Secret Sea **Lovely Blossoms DSP** and the 3/8" wide strip of Cloud Cover **Lovely Blossoms DSP**.
5. Use scissors to cut off the excess DSP.
6. Use Liquid Glue to adhere the panel to the 4" x 5 1/4" piece of Mossy Meadow cardstock.
7. Use the die in the **Help Me Grow** set to cut out a Petal Pink **Lovely Blossoms DSP** pot.
8. Wrap Linen Thread twice around the pot - securing it in the back with Glue Dots.
9. Use the dies in the set to cut out:

- a) Two leaves from new **Lunar Luster Specialty DSP**.
- b) Two frilly leaves from Old Olive Two-Tone cardstock - one from the light side and one from the dark side.
- c) One frilly leaf from Old Olive **Lovely Blossoms DSP** - use the same design from which you cut the "grass" strip)
- d) Three Mossy Meadow leaves (one die cuts all three at once) - don't forget the little "dots" that will die cut with the leaves. Use Liquid Glue to adhere the little dots to the middles of the three leaves.
10. Stick the leaves thru the slit in the die cut pot (it gets cut with the die at the same time you're cutting it out) - starting with the two **Lunar Luster** leaves.
11. Then add the frilly leaves. Tip: use Stampin' Dimensionals on the back of the pot to hold the leaves in place.

12. Use the garden marker die in the *Help Me Grow* set to cut out a Basic White marker.
13. On it stamp the *Help Me Grow* sentiment in Secret Sea ink.
14. Stick it into the pot and use another Dimensional on the back to hold it in place.
15. Use Stampin' Dimensionals to adhere the three little Mossy Meadow leaves.
16. Use the Dimensionals that are already on the back of the pot (holding the leaves in place) - plus a few more - to adhere the pot to the card front.
17. Tie a small Linen Thread bow and adhere it with a scrunched up Glue Dot.
18. Add nine Old Olive *Moody Palette Dots*.
19. On the 4" x 5 1/4" piece of Basic White cardstock stamp a *Help Me Grow* sentiment in Secret Sea ink.
20. Stamp the flower image in Petal Pink in the two corners.
21. Add a white *Moody Palette Dot* to the middle of each of the flowers.

22. Use Liquid Glue to adhere the panel to the inside of the Secret Sea card base.
23. Use Stampin' Dimensionals to adhere the card front to the front of the card base.

24. Stamp the *Help Me Grow* flower in Petal Pink ink on the front of the Basic White Medium Envelope.
25. Add a thin line of Liquid Glue around the edges of the envelope flap.
26. Lay the 2 1/4" x 6" piece of *Lovely Blossoms DSP* to the flap and rub it lightly to ensure it's stuck down.
27. Use Paper Snips to trim off the excess paper.
28. DONE!
