## Instructions for this Project:

1. Score the 5 1/2" x 8 1/2" piece of Strawberry Slush cardstock at 4 1/4" on the long side.
2. Place the short side at the top of the Paper Trimmer and cut at 1 1/4" from the edge down to the score line.
3. Use Liquid Glue to adhere the 1 1/4" wide flap on the front to the back of the card base - the "faux book fold".
4. Use Liquid Glue to adhere the 1" x 4" piece of polka-dot **Beautiful Ordinary Life DSP** to the 1 1/8" x 4 1/8" piece of Strawberry Slush cardstock.
5. Use Liquid Glue to adhere the matted panel to the faux book fold panel.
6. Use Liquid Glue to adhere the two 4" x 4" pieces of polka-dot **Beautiful Ordinary Life DSP** to the two 4 1/8" x 4 1/8" pieces of Strawberry Slush cardstock.
7. Use Liquid Glue to adhere one of the matted panels to the front of the card base and the second to the inside of the card base.
8. Cut a 3" x 5" piece of the **Beautiful Ordinary Life DSP** - the one with the black leaves printed on white.
9. Use **Small Blending Brushes** to add Strawberry Slush, Flirty Flamingo and Petal Pink ink to it.
10. Use the Paper Trimmer to cut 1" piece from the left end of the panel.
11. Use Liquid Glue to adhere the larger piece to the card front and the smaller panel to the faux book fold panel - aligning the top and bottom edges and being sure to keep the design intact.
12. Stamp the **All Aflutter** sentiment in Tuxedo Black Memento Ink on a 1/2" wide strip of Strawberry Slush card stock and then trim it down to length.
13. Use Stampin' Dimensionals to adhere the sentiment to the card front.
14. Tie a small white Baker's Twine bow and use a little Liquid Glue to adhere it to the card front next to the sentiment.
15. On a piece of Basic White cardstock stamp the three-butterfly image from **All Aflutter** in Tuxedo Black Memento Ink.
16. Using the Dark Daffodil Delight to color the top portions of the wings and the Dark Lemon Lolly to color the bottom portion.
17. Use the **All Aflutter Punch** to cut out the butterflies.
18. Lightly curl the wings with your fingers.
19. Use Stampin' Dimensionals to adhere the butterflies to the card front.
20. Add six **Array of Dots** (3 in Flirty Flamingo and 3 in Lemon Lolly).
21. Score and fold the 3 1/4" x 6 1/2" piece of Strawberry Slush cardstock at 3 1/4" to make the inside card.
22. On the 3 1/8" x 3 1/8" piece of **Beautiful Ordinary Life DSP** stamp the butterflies in Tuxedo Black Memento Ink.
23. Ink just the word "Hi" on one of the sentiments in the **All Aflutter** set and stamp it near the butterflies.

24. Use Liquid Glue to adhere the panel to the front of the small card base - keeping the fold at the bottom!

25. On the 3 1/8" x 3 1/8" piece of Basic White cardstock stamp an **All Aflutter** sentiment in Tuxedo Black. Do it by inking the first part of the sentiment - and stamping it. Then do the same with the second part of the sentiment - stamping it under the first. Note; be sure to clean the stamp really well in between and you might want to use a sticky note to prevent "ghosting".

26. Stamp the top butterfly image in Tuxedo Black Memento ink.

27. Stamp the "trail" image in Tuxedo Black Memento ink.

28. Use the Dark Daffodil Delight and Lemon Lolly Stampin' Blends to color the butterfly.

29. Use Liquid Glue to adhere the panel to the inside of the small card base.

30. Use Liquid Glue to adhere the card to the inside of the larger card base.

31. Stamp the **All Aflutter** butterflies and a flight trail on the front of the Basic White Medium Envelope.

32. Run a thin line of Liquid Glue around the edges of the envelope flap.

33. Lay the 2 1/4" x 6" piece of polka-dotted **Beautiful Ordinary Life DSP** to the flap and rub it lightly to ensure it's stuck down.

34. Use Paper Snips to trim off the excess paper.
