Card Stock Cuts for this Project:

Fresh Freesia Cardstock: 5 1/2" x 8 1/2" (card base, scored and folded at 2 1/8", 4 1/4" and 6 3/8"); 1 1/2" x 5 1/4" (pop-up mechanism, scored and folded at 1/2", 1 5/8", 3 5/8" and 4 3/4")

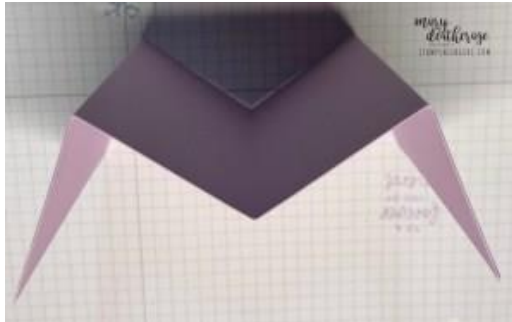

Pretty Peacock Cardstock: 2" x 5 3/8" (x4 - mats for accordion panels); 3 1/4" x 4 1/4" (mat for front DSP panel); Lily of the Valley die cut stems (x2) and leaves (x2)

Basic White Cardstock: Lily of the Valley die cut flowers (x14); 5/8" x 1 1/4" (sentiment); 2" x 5 3/8" (x2 - back panels)

Valley in Bloom DSP: 1 7/8" x 5 1/4" (x4 - on accordion panels); 3 1/8" x 4 1/8" (DSP panel on front); 2" x 5 3/8" (x2 - back panels); 1/2" x 2" (x2 - on back panels); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 5 1/2" x 8 1/2" piece of Fresh Freesia cardstock at 2 1/8", 4 1/4" and 6 3/8".
2. Fold it into an accordion.

3. Cut a piece of the **Valley in Bloom DSP** into four 1 7/8" x 5 1/4" panels - cutting them to keep the design intact.
4. Use Liquid Glue to adhere them all to the four 2" x 5 3/8" pieces of Pretty Peacock cardstock.
5. Use Liquid Glue to adhere the first and fourth panels to the front of the card base.
6. Score the 1 1/2" x 5 1/4" piece of Fresh Freesia cardstock at 1/2", 1 5/8", 3 5/8" and 4 3/4".
7. Fold all the score lines in the same direction.

8. Put Liquid Glue on the first 1/2" "tab" and adhere it to the card base - aligning the fold of the mechanism with the first fold on the card base.
9. Use Liquid Glue to adhere the second matted DSP panel - covering the tab.
10. Repeat that with the tab on the other end - adhering it by the final score line.
11. Then slide the final matted DSP panel into place - adhering it with Liquid Glue.

12. For the back - use Liquid Glue to adhere the two 2" x 5 3/8" pieces of plaid **Valley in Bloom DSP** on the two end panels.
13. For the center panels, use Liquid Glue to adhere a 1/2" x 4" strip of the plaid **Valley in Bloom DSP** across the bottom of a 4" x 5 3/8" piece of Basic White cardstock. Then cut the panel in half to create two 2" x 5 3/8" panels.
14. On the right-hand panel stamp a **Lily of the Valley** sentiment in Pretty Peacock ink.
15. Use Liquid Glue to adhere both panels in place.

16. Use Liquid Glue to adhere the 3 1/8" x 4 1/8" piece of plaid **Valley in Bloom DSP** on the 3 1/4" x 4 1/4" piece of Pretty Peacock cardstock.
17. Use the dies in the set to cut out two stems and two leaves from Pretty Peacock cardstock.
18. Use the die in the set to cut out 14 Basic White flowers.
19. Use Liquid Glue to adhere the flowers to the stems.
20. Use the Dark Barely Blush Stampin' Blend to color the tops of the flowers.
21. Use Liquid Glue to adhere the stems to the matted panel - being sure that they don't extend too far above the panel.
22. Use the die in the set to cut out a grid shape from Fresh Freesia cardstock.
23. Use Liquid Glue to adhere it over the stems.
24. Use Liquid Glue to adhere the leaves.

25. Tie a bow from two lengths of Linen Thread and adhere it with a little Liquid Glue.

26. On the 5/8" x 1 1/4" piece of Basic White cardstock stamp a *Lily of the Valley* sentiment in Pretty Peacock.
27. Use double-stacked Stampin' Dimensionals to adhere the sentiment over the bow.
28. Add five white *Shimmering Dots*.
29. Use Liquid Glue on the middle panel of the pop-up mechanism to adhere the completed panel to the mechanism.
30. Stamp the flower image from *Lily of the Valley* in Pretty Peacock on the front of the Basic White Medium Envelope.
31. Use the Dark Barely Blush Stampin' Blend to color the tops of the flowers.
32. Run a thin line of Liquid Glue around the edges of the envelope flap.
33. Lay the 2 1/4" x 6" piece of plaid *Valley in Bloom DSP* to the flap and rub it lightly to ensure it's stuck down.
34. Use Paper Snips to trim off the excess paper.
35. DONE!
