

Scenic Sunset Book Fold Lighthouse Card

Link to the Original Project Blog Post:
<https://wp.me/p5snyt-HHT>

Card Stock Cuts for this Project:

Strawberry Slush Cardstock: 4 1/4" x 11"
(card base, scored and folded at 5 1/2" and 6 3/4")

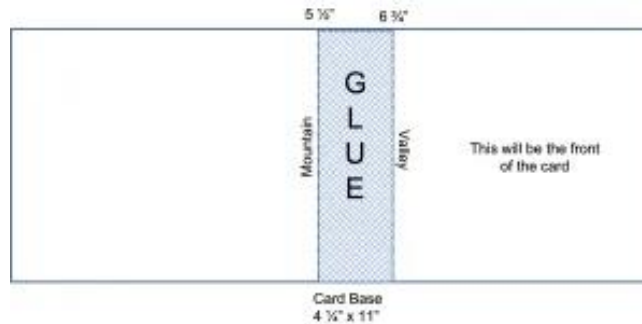

Crushed Curry Cardstock: 1 7/8" x 4 1/8"
(mat for book fold panel); 4 1/8" x 4 1/8" (mat for card front)

Basic White Cardstock: Spotlight on Nature/Sunset Coast die cut on front); 3/8" x 3 1/8" (sentiment); 4 1/8" x 4 1/8" (inner liner)

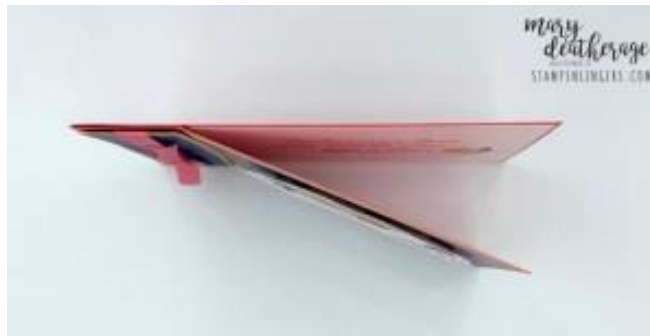

Scenic Sunset Specialty DSP: 1' x 4" (book fold panel); 4" x 4" (card front); 4" x 5 1/4" (inner liner)

Instructions for this Project:

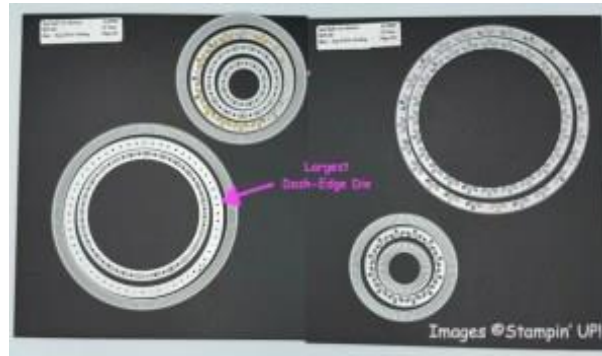

1. Score the 4 1/4" x 11" piece of Strawberry Slush cardstock at 5 1/2" and 6 3/4" on the long side.
2. Fold the 5 1/2" score line as a "mountain" and the 6 3/4" score in the opposite direction. Topographically speaking, that would be a "valley" fold!

3. Use Liquid Glue between the 5 1/2" and 6 3/4" score lines to adhere the front of the card base to the back - just in that 1 1/4" area. This makes the "book" or "side" fold.

4. Cut a watery piece of **Scenic Sunset Specialty DSP** at 4" long - cut a 1" x 4" and a 4" x 4" piece from it - keeping the wave-foam design intact.
5. Use Liquid Glue to adhere the 1" x 4" piece on the 1 1/8" x 4 1/8" piece of Crushed Curry cardstock.
6. Adhere a length of **Strawberry Slush 3/8" Faux Linen Ribbon** around the panel - securing it on the back with Mini Glue Dots,
7. Use Liquid Glue to adhere the panel to the narrow book-fold part of the card front.
8. Use Liquid Glue to adhere the remaining 4" x 4" piece of **Scenic Coast Specialty DSP** on the 4 1/8" x 4 1/8" piece of Crushed Curry cardstock.
9. Use Liquid Glue to adhere the matted panel to the card front.
10. Use the lighthouse die in the **Sunset Coast** dies to cut from a piece of Basic White cardstock.
11. Use the largest **Spotlight on Nature** "dash-edge" die to cut out the circle.

12. Use the same **Spotlight on Nature** die to cut out the sunset section of one of the **Scenic Coast Specialty DSP** panels.
13. Use Liquid Glue to adhere the Basic White die cut to the **Scenic Coast Specialty DSP** die cut (being sure to keep the lighthouse as vertical possible while keeping the horizon on the **Scenic Coast Specialty DSP** straight horizontally)!
14. Use Stampin' Dimensionals to adhere the layered circle to the card front.
15. Ink just the word "Happy" from one of the **Sunset Coast** sentiments in Strawberry Slush ink and stamp it three times on the 3/8" x 3" strip of Basic White cardstock.
16. Use scissors to adhere a banner in one end.
17. Use Liquid Glue to adhere the sentiment to the card front - and slide a Dimensional under the right end to support it.
18. Add five Strawberry Slush **Sunset Sparkling Sequins**.
19. On the 4 1/8" x 4 1/8" piece of Basic White cardstock stamp two sentiments from **Sunset Coast** - the first in Strawberry Slush and the second in Blueberry Bushel.
20. Next to the sentiment, stamp the water in Balmy Blue ink, the sailing ship in Blueberry Bushel ink and the sun in Crushed Curry ink.

21. Use Liquid Glue to adhere the panel to the inside of the card base.
22. Stamp the **Sunset Coast** water, sailboat and sun on the front of the Basic White Medium Envelope.

23. Run a thin line of Liquid Glue around the edges of the envelope flap.
24. Lay the 2 1/4" x 6" piece of *Scenic Coast Specialty DSP* to the flap and rub it lightly to ensure it's stuck down.
25. Use Paper Snips to trim off the excess paper.
26. DONE!
