<https://youtube.com/live/AYGv4Jc4na0>

**Card Stock Cuts for this Project:**

**Basic Black Cardstock:** 5 1/2" x 10" (card base, scored and folded at 4 1/4", 5 3/4", 7 1/4" and 8 3/4"); 3 1/4" x 3 1/4" (Sunset Coast die cut on front); Sunset Coast die cut birds (x6) and stone arch

**Sunset Shimmer Vellum:** Sunset Coast die cut shells in pink and blue (x5)

**Window Sheets:** 3 1/8" x 3 1/8" (behind front die cut)

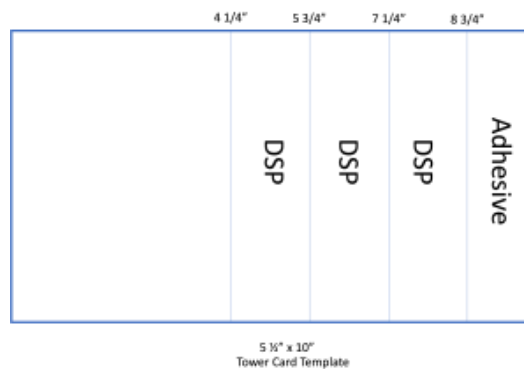

**Basic White Cardstock:** 4" x 5 1/4" (back panel)

**Scenic Coast Specialty DSP:** 1 3/8" x 5 3/8" (x 3 - on tower panels); 2 5/8" x 5 3/8" (back DSP panel); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Score the 5 1/2" x 10" piece of Basic Black cardstock at 4 1/4", 5 3/4", 7 1/4" and 8 3/4".
2. Fold all the score lines "in".
3. Use a Paper Trimmer to cut the bottom off your selected piece of **Scenic Coast Specialty DSP** to make it 5 3/8" long.
4. Measuring from the left side of the panel - cut off three 1 3/8" wide strips.
5. Keeping them in order, use Liquid Glue to adhere them to the three "inside" narrow panels of the card base.
6. Cut the bottom off another piece of the same design **Scenic Coast Specialty DSP** to make it 5 3/8" long.
7. Measuring from the right edge - cut off about 1". Note - you're putting the "sun" sort of where you want it on the back panel. Then - still measuring from the right edge - cut a 2 5/8" wide strip,
8. Use Liquid Glue to adhere the strip to the back of the card front.
9. On the 4" x 5 1/4" piece of Basic White cardstock stamp two **Sunset Coast** sentiments in Strawberry Slush ink.
10. Stamp the small water scene image in Balmy Blue, stamp a small sailboat in Tuxedo Black and stamp the sun in Lemon Lolly.
11. Use Liquid Glue to adhere the panel to the back of the card.
12. Moving back to the front - on the end panel (it's the one that's only 1 1/4" wide) - put Liquid Glue (you could use Tear & Tape here if you prefer).

13. Fold the panels over at the 7 1/4" fold to adhere the panel to the larger side of the card. Please check out the video above - it's a ton easier to **SHOW** that than to **WRITE** that!
14. Use the round sailboat die in the Sunset Coast set to cut out from the center of the 3 1/4" x 3 1/4" piece of Basic Black cardstock.
15. On the back - in the top center and bottom center of the die cut - put some Black Stampin' Dimensionals.

16. Use those to adhere the die cut to the 3 1/8" x 3 1/8" piece of Window Sheet. Note: only put Dimensionals where you're going to adhere the art to the card front - so that nothing will be visible from the back.

17. Use Liquid Glue - again only in the center of the die cut - to adhere the die cut to the front tower panel. Note: Close the card front down and then center the die cut on the card.
18. Use the dies in the set to cut out six birds and the stone arch from Basic Black cardstock and six shells from **Sunset Shimmer Vellum** (three pink and three blue).
19. Use Liquid Glue to adhere the arch and three birds to the back panel.

20. Use Liquid Glue to adhere the remaining birds and five of the **Sunset Shimmer Vellum** shells to the front.

21. Add five *Sunset Sparkle Sequins* - in white and Balmy Blue.
22. Stamp the *Sunset Coast* "scene" on the front of the Basic White Medium Envelope.
23. Run a thin line of Liquid Glue around the edges of the envelope flap.
24. Lay the 2 1/4" x 6" piece of *Scenic Coast Specialty DSP* to the flap and rub it lightly to ensure it's stuck down.
25. Use Paper Snips to trim off the excess paper.
26. DONE!

**Please click on the links to the right to see and purchase the available item(s) in my Online Store:**

You'll also need the *Scenic Coast Specialty DSP*, *Sunset Coast Bundle*, *Sunset Shimmer Vellum* and *Sunset Sparkle Sequins* when they're available!
