

Sweet Silly Old Friends Joy Fold Card

Link to the Original Project Blog Post:

<https://wp.me/p5snyt-I5v>

Card Stock Cuts for this Project:

Basic Black Cardstock: 5 1/2" x 6 1/4" (large card base, scored and folded at 4 1/4"); 2 5/8" x 4 1/8" (mat for small card front)

Crisp Cantaloupe Cardstock: 4 1/4" x 5 1/2" (small card base, scored and folded at 2 3/4"); 4 1/8" x 5 3/8" (mat for large back DSP panel); 1 7/8" x 5 3/8" (mat for large side DSP panel); Sweet Old Friends die cut hexagons (x8)

Basic White Cardstock: Sweet Old Friends 2 1/8" x 3 1/8" die cut label (on front); 1/2" x 2 1/8" (sentiment); 2 5/8" x 4 1/8" (small inner liner); 4 1/8" x 5 3/8" (large back panel)

Silly Old Bear DSP: 4 x 5 1/4" (large back DSP panel); 1 3/4" x 5 1/4" (large side DSP panel); 2 1/2" x 4" (small card front); 2 1/4" x 6" (envelope flap)

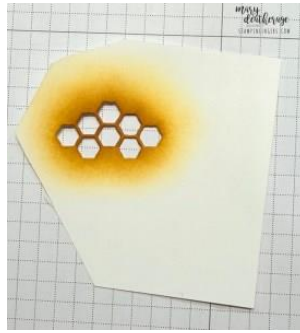

Instructions for this Project:

1. Score and fold the 5 1/2" x 6 1/4" piece of Basic Black cardstock at 4 1/4". Fold the card base and keep the side panel closing from the right.
2. Use Liquid Glue to adhere the 4" x 5 1/4" piece of striped *Silly Old Bear DSP* on the 4 1/8" x 5 3/8" piece of Crisp Cantaloupe cardstock.
3. Use Liquid Glue to adhere the matted panel to the large inside back panel of the card base.
4. Use Liquid Glue to adhere the 1 3/4" x 5 1/4" on the 1 7/8" x 5 3/8" piece of Crisp Cantaloupe.
5. Use Liquid Glue to adhere the matted panel to the small side panel.
6. In the bottom left corner of the 4 1/8" x 5 3/8" piece of Basic White cardstock, stamp the *Sweet Old Friends* Piglet image in Tuxedo Black Memento Ink.
7. Stamp the dandelion puffs image several times in Golden Glow ink.
8. Color Piglet with the Light Barely Blush (skin), Light Hydrangea Hue (shirt)| Light Pecan Pie (dandelion stem) and Light Golden Glow Stampin' Blends (dandelion puffs on stem).
9. Use Liquid Glue to adhere the panel to the back of the large card base.

10. Score and fold the 4 1/4" x 5 1/2" piece of Crisp Cantaloupe at 2 3/4" to make the small card base.
11. Use Liquid Glue to adhere the 2 1/2" x 4" piece of *Silly Old Bear DSP* on the 2 5/8" x 4 1/8" piece of Basic Black cardstock.
12. Use Liquid Glue to adhere the matted panel to the small card front.
13. Use the label die from the *Sweet Old Words* die set - use the die shaped as shown in the photos that yields a label about 2 1/8" x 3 1/8" to cut out a Basic White label.
14. From a piece of cardstock use the die in the set to cut out a honeycomb and create a stencil.

15. Use it and a Small Blending Brush to add *Golden Glow* honeycomb to the top of the die cut label. Note: move it around a few times to make the honeycomb image larger.
16. Use the die to cut out eight *Golden Glow* cardstock hexagons.
17. Use *Liquid Glue* to adhere three of the hexagons to the honeycomb on the label. Save the remaining die cuts to use later on the card.

18. Use *Stampin' Seal* to adhere a loop-d-loop of *Golden Glow 3/8" Bordered Ribbon* on the back of the label.
19. Use *Stampin' Dimensionals* to adhere it to the small card front.
20. Center the small card base on the large back inside panel of the card base and adhere it with *Liquid Glue*.

21. Stamp a *Sweet Old Friends* sentiment in *Tuxedo Black Memento Ink* on the 1/2" x 2 1/8" piece of *Basic White* cardstock.

22. Use Liquid Glue to adhere it to the small card front with Liquid Glue. Note: be sure it doesn't extend past the fold on the left.
23. Use the **Sweet Old Friends** die to cut out Pooh & Piglet from the **Sweet Old Friends DSP**.
24. Use Stampin' Dimensionals to adhere them to the small card front.
25. On the 2 5/8" x 4 1/8" piece of Basic White cardstock, stamp a second **Sweet Old Friends** sentiment in Tuxedo Black ink,
26. Use the stencil to add some Golden Glow honeycomb.
27. Use Liquid Glue to adhere the remaining five die cut Golden Glow hexagons.

28. Use Liquid Glue to adhere the panel to the inside of the small card base.
29. Add some stenciled honeycomb in Golden Glow on the front of the Basic White Medium Envelope.
30. Run a thin line of Liquid Glue around the edges of the envelope flap.
31. Lay the 2 1/4" x 6" piece of **Silly Old Bear DSP** to the flap and rub it lightly to ensure it's stuck down.
32. Use Paper Snips to trim off the excess paper.
33. DONE!
