

Violet Botanical Inked Floret Card

Link to the Original Project Blog Post:

<https://wp.me/p5snyt-IPI>

Card Stock Cuts for this Project:

Barely Blush Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); 3/4" x 3 1/2" (sentiment)

Secret Sea Two-Tone Cardstock: 3 7/8" x 5" (torn size - x2 - light side card front and dark side mat)

Basic White Cardstock: 4" x 5 1/4" (inner liner)

Violet Dreams Cardstock: 4 1/4" x 5 1/2" (card front panel); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of **Violet Dreams DSP** to the front of the Barely Blush card base.
2. Tear two pieces of Secret Sea Two-tone Cardstock down to about 3 7/8" x 5". Note: when you tear the sheets, do one with the light side up and tearing towards you and the second with the dark side up and tearing towards you. That way - the white core is visible on both pieces.
3. Use Liquid Glue to adhere the dark panel to the card front.
4. On the lighter panel, stamp the **Inked Floret** flower in Secret Sea ink.
5. Use Black Stampin' Dimensionals to adhere it to the card front.
6. Tie a bow with two lengths of white Baker's Twine and adhere it with a little Liquid Glue.
7. On the 3/4" x 3 1/2" piece of Barely Blush cardstock stamp the **Botanical Expressions** sentiment in Secret Sea ink.
8. Use double-stacked Black Stampin' Dimensionals to adhere the sentiment over the bow.
9. Add five Cloud Cover **Hues of Blues Flowers**.
10. On the 4" x 5 1/4" piece of Basic White cardstock stamp a second **Botanical Expressions** sentiment in Secret Sea ink.
11. In the corner stamp part of the Inked Floret flower in Secret Sea ink.
12. Add a Cloud Cover **Hues of Blues Flower**.

13. Use Liquid Glue to adhere the panel to the inside of the Barely Blush card base.
14. Stamp the **Inked Floret** image in Secret Sea on the front of the Basic White Medium Envelope.
15. Run a thin line of Liquid Glue around the edges of the envelope flap.

16. Lay the 2 1/4" x 6" piece of *Violet Dreams DSP* to the flap and rub it lightly to ensure it's stuck down.
17. Use Paper Snips to trim off the excess paper.
18. DONE!
