Card Stock Cuts for this Project:

Early Espresso Cardstock: 5 1/2" x 7 1/4"
(card base - scored and folded at 4 1/4" on the long side)

Mossy Meadow Cardstock: 2 3/4" x 5 1/2"
(mat for DSP panel on front)

Pecan Pie and Golden Glow Two-tone Cardstock: 1" x 5 1/2" (one each color - a little longer than needed and trimmed to 5 1/2")

2026-2028 In Color Pearlized Paper (Golden Glow): Radiant Sunflowers die cut small flower

Basic White Cardstock: Radiant Sunflowers die cut label (sentiment); Stamped and die cut Radiant Sunflowers leaves (x3); 2 1/2" x 5 3/8" (inside panel)

Sunflower Fields DSP: 2 5/8" x 5 3/8" (DSP panel on front); Next-to-Smallest Scalloped Christmas Cheer die cut (mat for sentiment); Radiant Sunflowers die cut large flower center on front; 1 1/2" x 5 3/8" (inside panel); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score and fold the 5 1/2" x 7 1/4" piece of Early Espresso cardstock at 4 1/4".
2. With the dark sides up - tear a small strip off one long side of the two 1" wide strips of Two-tone Cardstock - one in Pecan Pie and one in Golden Glow. Note: Cut these a little longer - maybe 6" - than the finished length of 5 1/2" - so...once they're on the card front, you can just trim the excess with a pair of Detail Scissors.
3. Use Liquid Glue to adhere the Golden Glow strip to the Pecan Pie strip - leaving the Pecan Pie strip showing.
4. Use Liquid Glue to adhere them to the card front.
5. Use Detail Scissors to trim the excess paper.
6. Use Liquid Glue to adhere the 2 5/8" x 5 3/8" piece of **Sunflower Fields DSP** on the 2 3/4" x 5 1/2" piece of Mossy Meadow cardstock.
7. Use Liquid glue to adhere the matted panel to the card front - aligning the left edge with the fold of the card base.
8. Use the next-to-smallest die in the **Scalloped Christmas Cheer Dies** to cut out a piece of Pecan Pie **Sunflower Fields DSP**.
9. On a piece of Basic White cardstock stamp a **Radiant Sunflowers** sentiment in Early Espresso ink.
10. Use the label die in the **Radiant Sunflowers** set to cut out the sentiment - cheating the sentiment to the RIGHT edge of the die cut.
11. Use Stampin' Dimensionals to adhere the label to the DSP die cut mat.
12. Use Liquid Glue - only on the left side of the back of the sentiment - to adhere it to the card front.
13. On a piece of Basic White cardstock, stamp the little leaf from **Radiant Sunflowers** three times in Mossy Meadow ink.
14. Use the Light Old Olive Stampin' Blend to color the leaves.
15. Use the coordinating die in the set to cut out the leaves.

16. Use the dies in the set to cut out a small **Radiant Sunflowers** flower from Golden Glow **2026-2028 In Color Pearlized Paper** and a large flower center from the Pecan Pie **Sunflower Fields DSP**.
17. Use a Stampin' Dimensional to adhere the flower center to the flower.
18. Use a piece of Tear & Tape on the back of the flower to adhere a loop-d-loop of **Mossy Meadow & Very Vanilla 1/4" Gingham Ribbon**.
19. Use Stampin' Dimensionals to adhere it to the card front.
20. Tuck the little leaves in and secure them with Liquid Glue.
21. Add six Old Olive **Radiant Gems**.
22. Use Liquid Glue to adhere the 1 1/2" x 5 3/8" piece of **Sunflower Fields DSP** to the right side of the back panel - leaving a normal reveal on the top - bottom - and right side.
23. On the 2 1/2" x 5 3/8" piece of Basic White cardstock stamp a second **Radiant Sunflowers** sentiment in Early Espresso ink.
24. In each corner stamp the flower from the set in Early Espresso ink.
25. Use the Light and Dark Golden Glow Stampin' Blends to color the petals.
26. Use the Light Pecan Pie Stampin' Blend to color the centers.

27. Use Liquid Glue to adhere the panel to the left inside of the card base.
28. Stamp and color the **Radiant Sunflowers** flower on the front of the Basic White Medium Envelope.
29. Run a thin line of Liquid Glue around the edges of the envelope flaps.
30. Lay a 2 1/4" x 6" piece of **Sunflower Fields DSP** on the flap and rub it lightly to ensure it's stuck down.
31. Use Paper Snips to trim off the excess paper.
32. DONE!
