2026-2028 In Color Painted Patterns DSP

(Peaceful Pine): Cutest Crew die cut trees (x2); 3 7/8" x 5 3/8" (inner liner)

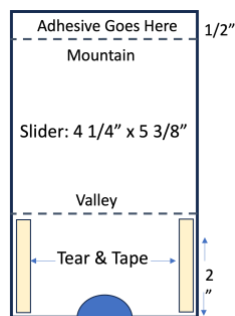

Timeless Christmas DSP: 2 3/8" x 5 3/8" (red plaid - top half of card front); 1 7/8" x 5 3/8" (red polka-dot - bottom half of card front); 2 1/4" x 4 1/8" (red polka dot - slider liner); 2 7/8" x 4" (slider mechanism); 2 1/4" x 6" (red plaid - envelope flap)

Instructions for this Project:

1. Score the 5 1/2" x 8 1/2" piece of Peaceful Pine cardstock at 2" from one end and then at 2 1/2" from the opposite end - on the long side. Fold both score lines IN.

2. Score the 4 1/4" x 5 3/8" piece of Basic White cardstock at 2" from one end and 1/2" from the other end on the long side.
3. Fold the 1/2" line as a mountain and the 2" line as a valley. It's going to look like a "Z".
4. Use the **1 3/4" Circle Punch** to punch a half circle in the short end of the 2" side of the mechanism.
5. Place Tear & Tape on each side of the 2" side of the slider - be sure to keep it as close to the edges as possible.

6. Use Liquid Glue to adhere the 2 1/4" x 4 1/8" piece of Poppy Parade polka dot *Timeless Christmas DSP* to the inside of the slider - it sets between the two score lines.
7. Close the slider - using the Tear & Tape to "seal" the pocket.
8. Stamp the Christmas Crew sentiment under the cutout in Poppy Parade ink.
9. Stamp the Christmas Crew candy canes on either side in Poppy Parade ink.
10. Use the Dark Poppy Parade and Light Peaceful Pine Stampin' Blends to color the candy canes.
11. Place **Tear & Tape Adhesive** on the top 1/2" section of the white slider mechanism and adhere it on the inside of the card base - lining up the end of the slider with the top score line of the card base.

12. Use Liquid Glue to adhere the 3 7/8" x 5 3/8" piece of Peaceful Pine 2026-2028 In Color Painted Patterns DSP to the inside of the card base.

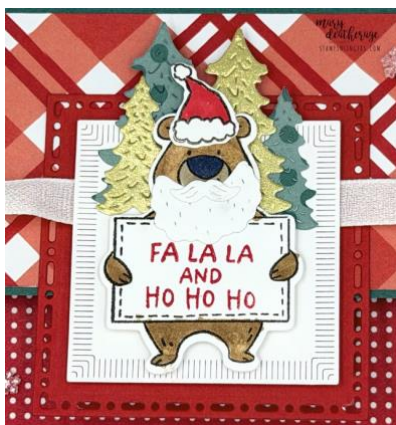

13. Place **Tear & Tape** on the edges of the 2" portion of the card base and use them to adhere it in place - "capturing" the slider mechanism as you close the panel.
14. Use Liquid Glue to adhere the 1 7/8" x 5 3/8" piece of Poppy Parade polka dot **Timeless Christmas DSP** to the bottom 2" panel of the card base.

15. Use Liquid Glue to adhere the 2 3/8" x 5 3/8" of Poppy Parade plaid **Timeless Christmas DSP** to the top panel of the card base.
16. Use the next-to-largest dot-dash-edge Tile Garden die to cut out a Poppy Parade square.
17. Use Liquid Glue on the top portion Poppy Parade square to adhere it to the top flap of the card base.

18. Use Stampin' Seal to adhere the 27" piece of White 3/8" Textured Ribbon to the square. Note: there should be about 9 1/2" of ribbon to the LEFT of the middle of the die cut square - the ribbon is going to wrap around the back and tie on the left side.
19. Add Stampin' Dimensionals to the square.
20. Use the next-to-smallest crimped-edge Tile Garden die to cut out a Basic White square.
21. Use the Stampin' Dimensionals to adhere the white square to the Poppy Parade square - over the ribbon.
22. On a piece of Basic White cardstock, stamp the bear and hat images from Christmas Crew in Early Espresso Ink.
23. Stamp the sentiment in the bear's sign in Poppy Parade ink.
24. Color the bear with the Light and Dark Pecan Pie (body), Light Crumb Cake (muzzle) and Light Basic Black (nose) Stampin' Blends.
25. Color the hat with the Poppy Parade Stampin' Blends
26. Use the dies in the set to cut out the stamped images plus the beard and mustache.
27. Use Liquid Glue to adhere the hat, beard and mustache to the bear.
28. Use the Cutest Crew trees die to cut out two trees from gold **Timeless Metallic Specialty Paper** and two from the Peaceful Pine **2026-2028 In Color Painted Patterns DSP**.
29. Use Liquid Glue to adhere the die cut trees to the Basic White square.
30. Use Stampin' Dimensionals to adhere the bear over the trees.

31. Add six clear Adhesive-backed Snowflakes to the card.

32. Stamp the Christmas Crew candy canes twice in Poppy Parade ink on the front of the Basic White Medium Envelope.
33. Color the canes with the Dark Poppy Parade and Light Peaceful Pine Stampin' Blends.
34. Add a thin line of Liquid Glue around the edges of the envelope flap.
35. Lay the 2 1/4" x 6" piece of **Timeless Christmas DSP** to the flap and rub it lightly to ensure it's stuck down.
36. Use Paper Snips to trim off the excess paper.
37. DONE!
