Card Stock Cuts for this Project:

Very Vanilla Cardstock: 5 1/2" x 8 1/2" (card base, scored and folded at 4 1/4"); 7/8" x 2 3/4" (sentiment); Christmas Mice die cuts (mouse, candy cane, Christmas hat, gifts); 4" x 5 1/4" (inner liner)

Cherry Cobbler Cardstock: 3 3/8" x 4 3/4" (mat for DSP strips)

Timeless Metallic Specialty Paper:

Christmas Mice die cut stars (x2); "dotted" rectangle and bow (for gifts)

A Little Christmas DSP: 4 1/4" x 5 1/2" (card front panel); 3 1/4" x 4 3/8" (card front - cut into 7/8" wide strips); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of *A Little Christmas DSP* on the front of the Very Vanilla card base.
2. Use a Paper Trimmer to trim the "scene" panel from *A Little Christmas DSP* to the finished size of 3 1/4" x 4 3/8".
3. Use the *Paper Trimmer* to cut it into five 7/8" x 4 3/8" strips.
4. Use Liquid Glue to adhere the strips to the 3 3/8" x 4 3/4" piece of Cherry Cobbler cardstock. Tip: Use your *Crafting Grid Paper* to help - lay out your strips on the cardstock panel. Then adhere the left and right strips, then the middle strip. Finally, add the two remaining strips - making the distances between them equal.
5. Use Liquid Glue to adhere the panel to the card front - up in the top right hand corner.
6. Use the die in the *Christmas Mice* set to cut a Christmas tree from the Light side of a piece of *Mossy Meadow Two-tone cardstock*.
7. Use Liquid Glue to adhere the tree to the card front.
8. On a piece of Very Vanilla cardstock stamp a little *Christmas Mice* mouse, a Santa Hat and a candy cane in Early Espresso ink.
9. Use the dies in the set to cut them out.
10. Use the die in the set to cut out the stack of presents from Very Vanilla cardstock.
11. Use the dies in the set to cut out two stars, a "dotted" rectangle and a gift bow from Timeless Metallics Specialty Paper.
12. Use Detail Scissors to cut the bottom-most "gift" from the die cut stack.
13. Use a Light Cherry Cobbler Stampin' Blend to color the remaining "bottom" rectangle (gift).
14. Use Liquid Glue to adhere one of the stars at the top of the stack, the gift bow to the third gift and the "dotted" rectangle to the gift you colored with the Cherry Cobbler Blend.
15. Use Liquid Glue to adhere the second star to the top of the Christmas tree.
16. Use Liquid Glue to adhere the presents to the card front.
17. Use Stampin' Blends to color the mouse: Dark Petal Pink Stampin' Blend (inner ear) and then the Light Crumb Cake and Light Pecan Pie Stampin' Blends for the body.
18. Use Light and Dark Cherry Cobbler Stampin' Blends to color the Santa hat.
19. Use Light Cherry Cobbler Stampin' Blends to color the candy cane.

20. Tuck the candy cane under the mouse's arm.
21. On the 7/8" x 2 3/4" piece of Very Vanilla cardstock stamp a **Christmas Mice** sentiment in Cherry Cobbler ink.
22. Use Detail Scissors to cut an angle on one end.,
23. Slide the sentiment under the mouse's arm and over the candy cane - using Liquid Glue to keep everything in place.
24. Use Stampin' Dimensionals to adhere the total "package" to the card front.
25. Use Detail Scissors to cut the "tail" from the end of the Santa hat.
26. Use Detail Scissors to snip a little slit in the top of the cap - then slide it "onto" the mouse's head - securing it with a Dimensional and a little Liquid Glue. Check the video to see how to do that!
27. Use a Stampin' Dimensional to adhere the "tail" of the hat creating the illusion of a much longer hat!
28. Add three Christmas Epoxy Shapes to the tree and one hanging from the Christmas hat.
29. On the 4" x 5 1/4" piece of very Vanilla cardstock stamp a second **Christmas Mice** sentiment Cherry Cobbler ink.
30. Stamp the Santa hat in Early Espresso ink and color it with the Light and Dark Cherry Cobbler Stampin' Blends.
31. Add a **Christmas Epoxy Shapes** ornament.

32. Use Liquid Glue to adhere the panel to the inside of the Very Vanilla card base.
33. Stamp and color the **Christmas Mice** Santa hat on the front of the Basic White Medium Envelope.
34. Add a thin line of Liquid Glue around the edges of the envelope flap.
35. Lay the 2 1/4" x 6" piece of **A Little Christmas DSP** on the flap and rub it lightly to ensure it's stuck down.
36. Use Paper Snips to trim off the excess paper.
37. DONE!
