Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Basic Beige cardstock at 2 3/4" and 5 1/2".
2. Fold the card base into a "z" - folding the 2 3/4" score line as a "mountain" and the 5 1/2" score line as a "valley".
3. Use Liquid Glue to adhere the two 2 1/2" x 4" pieces of ***Somewhere in Time DSP*** on the two 2 5/8" x 4 1/8" piece of Secret Sea cardstock.
4. Use Liquid Glue to adhere the matted panels to the two smaller front panels of the card base.
5. Use Liquid Glue to adhere the 4" x 5 1/4" piece of the same design of the DSP to the 4 1/8" x 5 3/8" piece of Secret Sea cardstock.
6. Use Liquid Glue to adhere the matted panel to the back panel of the card base.
7. Use the next-to-largest ***Perennial Postage*** die to cut out two Very Vanilla rectangles.
8. Emboss one of the rectangles in the ***Timeless Celebrations Hybrid Embossing*** Folder - centering the oval on the embossing folder on the rectangle.
9. From another piece of Very Vanilla cardstock, use that same large die to cut out a Very Vanilla oval.
10. On the oval stamp a ***Timeless Celebrations*** sentiment in Secret Sea ink.
11. On the other side of the oval stamp the foliage image from ***Timeless Celebrations*** a few times in Peaceful Pine ink.
12. Use Liquid Glue to adhere the oval over the oval on the embossed ***Perennial Postage*** die cut.
13. Use that same large die to cut out a Secret Sea oval. Keep the oval itself for another project.
14. Use Detail Scissors to cut the "legs" off the "discard" oval to make the frame

15. Slip the frame onto the embossed panel and secure it with a little Liquid Glue.
16. On a piece of Very Vanilla cardstock stamp the small single ***Timeless Celebrations*** flower eight times in Hydrangea Hue ink.
17. Use coordinating die in the set to cut out the flowers.
18. Use Liquid Glue to adhere five of the die cut flowers to the oval.

19. Use the small die in the set to cut out four Hydrangea Hue **2026-2028 In Color Pearlized Paper** flowers.
20. Use Liquid Glue to adhere them.

21. Add a **Pearl Adhesive Backed Faceted Dots** to each flower.
22. To figure out the placement for the panel, place the entire piece on the folded card base - centering it left to right and top to bottom.
23. Use Liquid Glue only on the small front panel to adhere the sentiment panel to just the small panel of the card base.

24. On the second Very Vanilla **Perennial Postage** die cut stamp a second **Timeless Celebrations** sentiment in Secret Sea ink.
25. In the corner stamp the foliage image a few times in Peaceful Pine ink.
26. Use Liquid Glue to adhere the remaining three die cut flowers.
27. Add a **Pearl Adhesive Backed Faceted Dots** to each flower.

28. Use Liquid Glue to adhere the die cut to the back panel of the card base, centering it left to right and top to bottom and ensuring that it will be "hidden" behind the front sentiment panel when the card is closed.

29. Stamp the *Timeless Celebrations* foliage in Peaceful Pine ink on the front of the Basic White Medium Envelope.
30. Add a thin line of Liquid Glue around the edges of the envelope flap.
31. Lay the 2 1/4" x 6" piece of *Somewhere in Time DSP* on the flap and rub it lightly to ensure it's stuck down.
32. Use Paper Snips to trim off the excess paper.
33. DONE!
