Card Stock Cuts for this Project:

Basic Black Cardstock: 4 1/4" x 11" (card base - scored and folded at 2 1/8", 4 1/4" and 5 1/2"); 3 1/2" x 4 1/4" (card front)

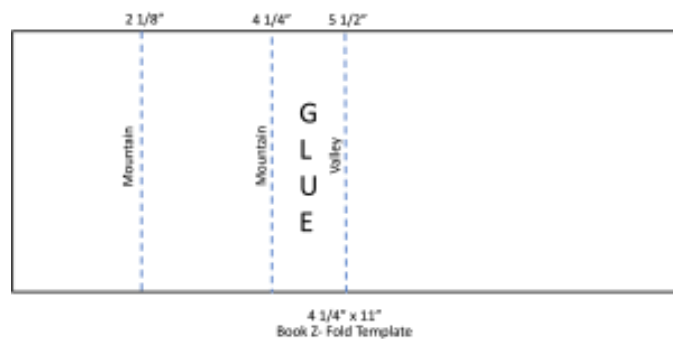

Timeless Metallic Specialty Paper: 1 1/8" x 4 1/8" (mat for book fold panel); 3 3/8" x 4 1/8" (mat for card front); 4 1/8" x 4 1/8" (mat for inner liner)

Very Vanilla Cardstock: 3 1/4" x 4" (card front); 3" x 4" (inner liner)

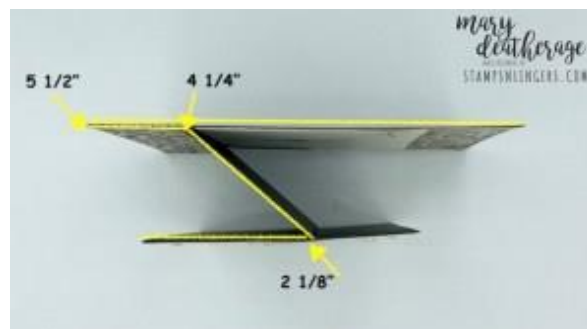

Truly Timeless Specialty DSP: 1" x 4" (x2 - book fold panel and on inner liner); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Basic Black cardstock at 2 1/8", 4 1/4" and 5 1/2".
2. Fold it as shown.

3. Use Liquid Glue between the two closest score lines (4 1/4" and 5 1/2") then press the card front to the back - this adheres them together and creates the book-fold panel.
4. Fold the 2 1/8" score line back - to make the "Z".

5. Use Liquid Glue to adhere one of the 1" x 4" piece of **Truly Timeless Specialty DSP** to the right side of the 4 1/8" x 4 1/8" piece of **Timeless Metallic Specialty Paper**.
6. On the 3" x 4" piece of Very Vanilla cardstock stamp a **Rejoice** sentiment in Tuxedo Black Memento ink.
7. In the corner, stamp the Bethlehem image from the set in black.
8. Use Versamark Ink to stamp the large star image in the top right hand corner.
9. Sprinkle it with gold **Metallics WOW Embossing Powder** and heat set it with the Heat Tool.
10. Add a small **Pearl Adhesive-backed Faceted Dots** to the middle of the star.

11. Use Liquid Glue to adhere the panel next to the DSP strip and then into the card base.
12. Use Liquid Glue to adhere the remaining 1" x 4" piece of **Truly Timeless Specialty DSP** on the 1 1/8" x 4 1/8" piece of gold **Timeless Metallic Specialty Paper**.
13. Use Liquid Glue to adhere the matted panel to the book fold panel.
14. At the bottom of the 3 1/4" x 4" piece of Very Vanilla cardstock stamp a sentiment from **Rejoice** in Tuxedo Black Memento Ink.
15. Stamp the Holy Family image in Versamark Ink, sprinkle it with gold **Metallics WOW Embossing Folder** and heat set it with the Heat Tool.
16. When it's cool, stamp the stable roof image in Tuxedo Black Memento ink.
17. Use Liquid Glue to adhere the panel on the 3 3/8" x 4 1/8" piece of **Timeless Metallic Specialty Paper**.
18. Use Liquid Glue to adhere the matted panel to the 3 1/2" x 4 1/4" piece of Basic Black cardstock.
19. Add five **Pearl Adhesive-backed Faceted Dots**.
20. Use Liquid Glue on the "Z" panel of the card base to adhere the card front - centering it on the entire card base,
21. Stamp a third **Rejoice** sentiment in black on the front of the Basic White Medium Envelope.
22. Add a thin line of Liquid Glue around the edges of the envelope flap.
23. Lay the 2 1/4" x 6" piece of **Truly Timeless Specialty DSP** on the flap and rub it lightly to ensure it's stuck down.
24. Use Paper Snips to trim off the excess paper.
25. DONE!
