Winter Dreams Specialty DSP: 1 1/8" x 4" (x4 - snowflake - flaps on front); 2 1/4" x 4" (center panel left side); 1 1/8" x 1 7/8" (x4 - snow - backs of flaps on front); 2" x 5 3/8" (x3 - snow - DSP panels on back of card base)

Willow White Cardstock: 8 1/2" x 8 1/2" (envelope - assembled as shown in video)

Instructions for this Project:

1. Score the 5 1/2" x 8 1/2" piece of Secret Sea cardstock at 2 1/8", 4 1/4" and 6 3/8" - then fold it as a "w" - with the 2 1/8" and 6 3/8" folds as "mountain" and the 4 1/4" score as a "valley.
2. Use Liquid Glue to adhere the four 1 7/8" x 5 1/4" pieces of ***Paper Medley Mix In DSP*** on the four 2" x 5 3/8" pieces of Barely Blush ***2026-2028 In Color Pearlized Paper***.
3. Use Liquid Glue to adhere one of the matted panels to each panel of the card base to make the front of the card.

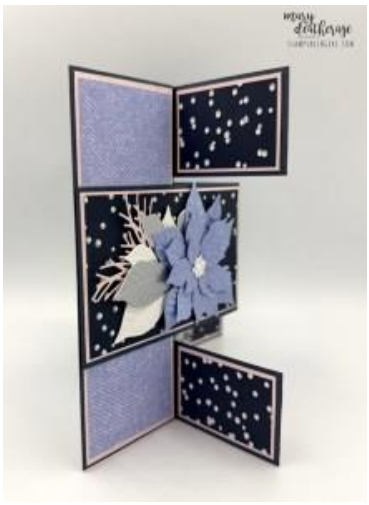

4. Use Liquid Glue to adhere the three 2" x 5 3/8" pieces of snowy ***Winter Dreams Specialty DSP*** to three of the panels on the back side of the card, leaving the third panel from the left open.
5. On the 3" x 5 3/8" piece of Basic White cardstock stamp a ***Pretty Poinsettia*** sentiment in Secret Sea ink.
6. In the corner stamp a ***Pretty Poinsettia*** flower in Hydrangea Hue ink.
7. Make a sticky note mask for the flower and place it over the top - then stamp the two pine boughs from the ***Pretty Poinsettia*** set in Barely Blush ink.
8. Pick up the mask and stamp a Barely Blush flower center.

9. To make the "flaps" on the front use Liquid Glue to adhere the four 1 1/8" x 4" pieces of snowflake-strewn ***Winter Dreams Specialty DSP*** to the four 1 1/4" x 4 1/8" pieces of Barely Blush ***2026-2028 In Color Pearlized Paper.***
10. Use Liquid Glue to adhere the matted panels to the four 1 3/8" x 4 1/4" pieces of Secret Sea cardstock.
11. Use Liquid Glue as to adhere each of the matted panels to the MIDDLE sections of the front of the card base as shown below. Note: make sure that the top (or bottom) edges line up with the card base. Also ensure the outer edges line up with the card base - but the more important piece is to be sure that the card will still close - so...not too close to the center fold.

12. For the center panel, score the 2 1/2" x 8 1/2" piece of Secret Sea cardstock at 4 1/4" and fold it as a "mountain".
13. Use Liquid Glue to adhere the 2 1/4" x 4" piece of snowy ***Winter Dreams Specialty DSP*** on one of the 2 3/8" x 4 1/8" pieces of Barely Blush ***2026-2028 In Color Pearlized Paper.***
14. Use Liquid Glue to adhere the matted panel to the left side of the Secret Sea panel.

15. On the left side of the 2 1/4" x 4" piece of Basic White cardstock, stamp a sentiment from ***Pretty Poinsettia*** in Secret Sea ink.

16. Use the Dark Barely Blush Stampin' Blend to color the open letters of the sentiment.
17. Use Liquid Glue to adhere the panel to the remaining 2 3/8" x 4 1/8" piece of Barely Blush ***2026-2028 In Color Pearlized Paper.***
18. Use Liquid Glue to adhere it to the right side of the Secret Sea panel.
19. Use the dies in the ***Pretty Poinsettia*** set - with the ***Impressions Plate*** – to cut out one each of the flowers and then a second set of the three smaller flowers - from Hydrangea Hue ***2026-2028 In Color Pearlized Paper.***
20. Without using the ***Impression Plate***, cut out a large leaf from Basic White cardstock, a second large leaf from Silver Foil and two of each little flower centers from Basic White cardstock.
21. With the two dies from the ***Frosted Pinecones*** set cut out three (a large and two small) pine boughs from Barely Blush ***2026-2028 In Color Pearlized Paper.***
22. Use scissors to snip the top three leaves off both large leaf die cuts.
23. For the left side of the center panel, use Liquid Glue to adhere two pine boughs and the two leaf "tops".
24. Build a poinsettia using one of each size die cut petals – total of four petals – adhering them with Liquid Glue to the DSP panel.

25. On the sentiment panel build a second flower with the remaining flower die cuts (three petals).
26. Use scissors to cut off another leaf from the large leaf die cuts - one white and one silver - and tuck them, along with the final pine bough - under the flower.

27. Use Liquid Glue to adhere the center panel to each of the two end panels of the card front. Note: Make sure that the edges are lined up with the ends of the card base - and that the panel is centered top-to-bottom between the flaps. Also ensure that the center fold is lined up with the canter fold of the card base

.

28. Use Liquid Glue to adhere the four 1 1/8" x 1 7/8" pieces of ***Winter Dreams Specialty DSP*** to the four 1 1/4" x 2" pieces of Barely Blush ***2026-2028 In Color Pearlized Paper.***
29. Use Liquid Glue to adhere the matted pieces to the exposed backs of the top and bottom flaps.

30. You'll need a customized envelope for this one – and I show how to make that in the video. You'll use the 8 1/2" x 8 1/2" piece of Willow White cardstock and the Simply Scored Score Tool to make it.
31. DONE!
