Card Stock Cuts for this Project:

Mossy Meadow Cardstock: Box of Joy die cuts (x2 to make box)

Very Vanilla Cardstock: Large Box of Joy die cut labels (x2 - tags)

Cherry Cobbler Cardstock: Frame cut using the Largest and Middle Box of Joy die cut labels

Gold Foil: Box of Joy die cut bow

Vellum Specialty Paper: 2 1/8" x 2 1/8" (behind "window")

A Little Christmas DSP: 2 1/8" x 2 3/8" (x2 - on front and back of box); 2 1/8" x 2 1/8" (x2 - on sides)

Instructions for this Project:

1. Use the large die in the Box of Joy set to cut out two Mossy Meadow pieces.
2. Use Liquid Glue to adhere one of the 2 1/8" x 2 3/8" pieces of ***A Little Christmas DSP*** to the front panel of one of the die cuts.

3. Use the middle label die in the ***Box of Joy*** set to cut out a "window" from that panel.
4. Use Stampin' Seal to adhere the 2 1/8" x 2 1/8" piece of ***Vellum Specialty Paper*** behind the window.
5. Use the largest and middle label dies in the set together to cut out a Cherry Cobbler frame.

6. Use Liquid Glue to adhere it over the "window" on the box die cut.
7. Use Liquid Glue on the little tab on one of the die cuts to adhere the two pieces together to form one long piece.

8. Use Liquid Glue to adhere the remaining 2 1/8" x 2 3/8" piece of ***A Little Christmas DSP*** to the back panel and the two 2 1/8" x 2 1/8" pieces of the DSP to the two side panels.
9. Put Liquid Glue on the remaining tab and use it to bring the box sides together.
10. Put Liquid Glue on a bottom flap panel to close up the bottom of the box.

11. Use the bow die in the Box of Joy set, and the ***Impressions Plate***, to cut out a bow from Gold Foil.
12. Use a Stampin' Dimensional to adhere the bow above the window.

13. On a piece of Very Vanilla cardstock stamp a ***Box of Joy*** sentiment in Mossy Meadow Ink.
14. Use the largest label die to cut it out.
15. Place one of the little decorative flourish dies at the top and run it back thru the Stampin' Cut and Emboss Machine.
16. Repeat that process with the "to" "from") sentiment to create a second tag.

17. Use a regular hole punch (like from the grocery store!) to cut a larger hole in the middle of the flourish.
18. On the back of the "You Deserve a Little Treat" tag stamp a fun sentiment. Just because.

19. Put your treats (or whatever!) inside the box and pull the two handles thru the slit in the side top panels.
20. Use ***Multicolor Christmas Baker's Twine*** to tie the tags to the top of the box.
21. DONE!
