Card Stock Cuts for this Project:

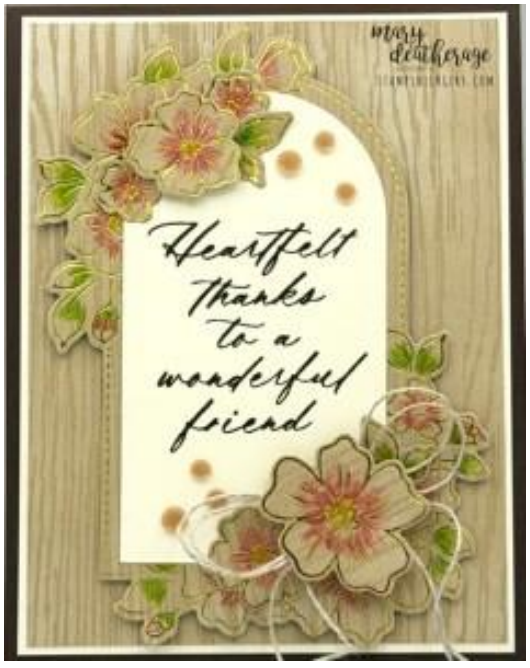

Early Espresso Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2")

Very Vanilla Cardstock: 4" x 5 1/4" (mat for card front); Large Arched Elegance Die cut arch (sentiment); 4" x 5 1/4" (inner liner)

Country Cottage DSP: 3 7/8" x 5 1/8" (card front); Arched Elegance Foiled and Die cut florals; 3/8" x 4" (inner liner strip); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of woodgrain ***Country Cottage DSP*** to one of the 4" x 5 1/4" pieces of Very Vanilla cardstock.
2. Use the ***Stampin' Hot Foil Machine*** and the dies in the ***Arched Elegance*** die set to hot foil the large arch and each of the flowers and leaves in ***Gold Hot Foil*** on a piece of the woodgrain ***Country Cottage DSP*** .
3. Use the dies in the set to cut out all the images.
4. Use ***Watercolor Pencils*** to add color to the foiled images - Flirty Flamingo and Cherry Cobbler for the flowers - with Crushed Curry for the flower centers. And Granny Apple Green and Garden Green for the leaves.
5. Use Stampin' Dimensionals to adhere the large arch to the card front with Stampin' Dimensionals.
6. On a piece of Very Vanilla cardstock stamp the sentiment from ***Arched Elegance*** in Early Espresso ink.
7. Use the larger of the two arch dies in the set to cut out the sentiment.
8. Use Liquid Glue to adhere the sentiment to the arch.
9. Tie a bow with two lengths of ***Linen Thread*** and adhere it in the bottom right corner of the arch with a Mini Glue Dot.
10. Use double-stacked Stampin' Dimensionals to adhere the largest individual die cut flower over the bow.

11. Use Stampin' Dimensionals to adhere one of the medium flowers in the top left corner.
12. Use Liquid Glue to adhere the remaining flowers and leaves - tucking them in here and there.

13. Add six Crumb Cake ***Cottage Charm Adhesive-backed Sequins***.
14. Use Liquid Glue to adhere the 3/8" x 4" strip of the ***Country Cottage DSP*** across the bottom of the remaining 4" x 5 1/4" piece of Very Vanilla cardstock.

15. Use Liquid Glue to adhere the panel to the inside of the Early Espresso card base.
16. Use Liquid Glue to adhere the card front to the front of the card base.
17. Add a thin line of Liquid Glue around the edges of the envelope flap.
18. Lay the 2 1/4" x 6" piece of ***Country Cottage DSP*** on the flap and rub it lightly to ensure it's stuck down.
19. Use Paper Snips to trim off the excess paper.
20. DONE!
