Timeless Christmas DSP: 3 7/8" x 4 1/8" (holly - card front); 1 1/2" x 4 1/8" (x2 - holly - inside strips); 3 3/8" x 4 1/8" (plaid - inside center panel); Congrats on an Awesome Quarter!7/8" x 4 1/8" (x2 - plaid - on inside panels of card); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the two 7/8" x 4 1/8" pieces of gold ***Timeless Metallic Specialty Paper*** on the ends of the 4 1/4" x 5 1/2" piece of Peaceful Pine cardstock – leaving a normal reveal around the top, bottom and side.
2. Score the 4 1/4" x 11" piece of Peaceful Pine cardstock at 2", 3 3/4", 7 1/4" and 9".
3. Fold the two innermost folds "in" and the two outside folds "out" as a gate fold.

4. On the inside of the gate fold, use Liquid Glue to adhere the 1 1/2" x 4 1/8" holly patterned pieces of ***Timeless Christmas DSP***, the 3 3/8" x 4 1/8 plaid piece on the middle section and one of the 1 7/8" x 4 1/8" pieces of plaid DSP on the right-most panel. Note: the remaining panel (on the far left) comes later – don't put that DSP panel on yet!

5. On a piece of Basic White cardstock stamp a tree from ***Home for Christmas*** in Peaceful Pine ink.
6. Use the corresponding die in the set to cut out the tree.
7. Use the die in the ***Home for Christmas*** die set to cut out the card holder envelope from Basic White cardstock.
8. Place the die cut tree on the front panel of the envelope die cut and use it as a guide to stamp a ***Scalloped Christmas Cheer*** sentiment in Poppy Parade ink.
9. Use Liquid Glue to adhere the tree to the front of the envelope.

10. Use the dies in the ***Home for Christmas*** set to cut three small stars from gold ***Timeless Metallic Specialty Paper.***
11. Use Liquid Glue to adhere the stars to the small die cut tree with Liquid Glue.
12. Fold the three sides of the small card holder to the back and use Liquid Glue - sparingly! - on the three flaps – to adhere it to the middle panel. Note: use an old gift card or credit card as a "model" to be sure you place the pocket so the gift card won't stick out the top of the card!
13. On a piece of Basic White cardstock stamp the ***Home for Christmas*** bow in Versamark Ink.
14. Sprinkle it with Gold ***Metallics WOW! Embossing Powder*** and heat set it with the Heat Tool.
15. Use the coordinating die in the set to cut out the bow.
16. Use Liquid Glue to adhere it to the top of the card holder envelope.

17. Put Liquid Glue on the back of the center of the gate panel and adhere it to the 4 1/4" x 5 1/2" card base - centering it left-to-right and aligning the top and bottom edges.
18. Use Liquid Glue to adhere the 3 7/8" x 4 1/8" piece of plaid ***Timeless Christmas DSP*** to the 4" x 4 1/4" piece of Peaceful Pine cardstock.
19. Use the tag die in the ***Home for Christmas*** die set to cut out one tag from green ***Timeless Christmas DSP*** and one from Basic White cardstock.
20. Use Liquid Glue to adhere the green tag to the matted panel (the card front).
21. Ink just the word "sending" from the ***Scalloped Christmas Cheer*** sentiment in Poppy Parade ink and stamp the white tag.
22. Clean the stamp and ink the remaining words to stamp underneath the first word.
23. Use Liquid Glue to adhere the tag to the matted panel.
24. Tie a bow from a piece of ***Gold Striped 3/8" Mesh Ribbon*** and adhere it with a Mini Glue Dot.

25. Use the dies in the ***Home for Christmas*** set to cut out three holly leaves from Peaceful Pine ***2026-2028 In Color Pearlized Paper*** and five holly berries from red ***Timeless Metallic Specialty Paper***.
26. Use Liquid Glue to adhere the die cut holly leaves and berries to the card front with Liquid Glue.
27. Put Liquid Glue on the left front gate panel and then adhere the card front to it - aligning the left side of the card front and gate panel, as well as the top and bottom. When the card is closed - you shouldn't be able to see the "gate".

28. Open the card all the way up and use Liquid Glue to adhere another 1 7/8" x 4 1/8" piece of the plaid ***Timeless Christmas DSP*** to the BACK of the square card front. Note: it LOOKS like it's part of the gate mechanism but…it's actually the back of the card front.

29. Add an ***Adhesive-backed Christmas Berries*** to the middle of the bow on the inside of the card.
30. Stamp the ***Scalloped Christmas Cheer*** holly leaf image in Peaceful Pine and the berries in Poppy Parade on the front of the Basic White Medium Envelope.
31. Add a thin line of Liquid Glue around the edges of the envelope flap.

32. Lay the 2 1/4" x 6" piece of plaid ***Timeless Christmas DSP*** on the flap and rub it lightly to ensure it's stuck down.
33. Use Paper Snips to trim off the excess paper.
34. DONE!
